Miami Beach PAL's Thanksgiving Basket Giveaway

For the past 33 years the Miami Beach Police Athletic League has provided Thanksgiving baskets to the less fortunate in our local schools and community. This year we will be handing out 550 baskets overflowing with can goods, fresh vegetables, bread, a turkey, and of course a dessert is included.

In attendance will be A/Chief Raymond Martinez, members of the Command Staff, PAL Board Members, MBPD Officers and other volunteers.

We encourage the media to come out to this wonderful event to help kick off the holidays.
